

NMC Children's Choir HANDBOOK 2018-2019

"Building a Sound Future"

Singing is the major means of musical experience in the NMC Children's Choir program. Singing is a powerfully personal means of musical expression. We hope this experience will form the foundation of a lifelong relationship with music for the singers and their families and provide the choir members with social, educational, and skill development opportunities.

WELCOME

The Directors of the NMC Children's Choir and the Office of Extended Educational Services (EES) of Northwestern Michigan College extend a warm welcome to the members of the 2018-2019 choirs. We look forward to working with you and sharing our love of music with our singers and their families. We sincerely hope that you find your year in choir to be a rewarding, fulfilling experience.

MISSION STATEMENT

The NMC Children's Choir is a program of exemplary choral music performance that develops high levels of artistic, expressive singing for students in kindergarten through grade nine in the Greater Grand Traverse Area. The Children's Choir exists to artistically enrich the lives of the children, their families, and the community.

HISTORY

The NMC Children's Choir was established in 1980 by Mark and Barbara Puchala and has grown from one choir of forty students to six choirs serving over 200 students. The program operates under the auspices of Northwestern Michigan College – Extended Education Services. Over the years, the Puchalas were joined by David and Mary Parrish, and Stephanie Schall-Braze. In 2011 Jeffrey Cobb was named as Artistic Director of the NMC Children's Choirs, and under his leadership we were fortunate to add Todd Vipond, Joanna Aldridge, Nancy Will, and Ashley Larimer-Kelly to our staff.

GOALS

- Develop the skills and understanding appropriate for a lifetime of quality singing for students of all racial, cultural and religious backgrounds.
- Develop choral ensembles that attain the highest levels of excellence in public and recorded performances.
- Develop an appreciation and understanding of choral music representative of diverse styles, cultures, ethnic and religious backgrounds.
- Develop a sense of self-worth, self-esteem, confidence, and pride in all singers.

CURRICULUM

- The students in the NMCCC program study and perform a variety of age-appropriate, quality music ranging from simple folk songs to complex, challenging literature from a variety of historical eras.
- Basic and advanced singing and interpretive skills related to breath, posture, diction, tone production, artistry and musical expressiveness are introduced and developed in each choir.
- Music literacy skills involving reading and interpreting music are incorporated into the weekly rehearsal process.
- Appropriate rehearsal skills and performance etiquette are included as an integral part of the learning process in every choir.

ENSEMBLES

The NMC Children's Choir organization consists of seven ensembles. Students are placed in an ensemble based on age and experience level. Our goal is for every child in the NMCCC program to be successful in their experience with us.

Cantus (*kahn'-toos* – Latin for "choir")

Cantus is NMCCC's largest and most advanced performing ensemble for young ladies and gentlemen. Singers rehearse Tuesday evenings as well as monthly Saturday afternoon rehearsals. Cantus performs in NMCCC's Holiday, Winter and Spring Concerts, at community events throughout the season and, as opportunities present, with guest artists and organizations such as the Traverse Symphony Orchestra. Cantus tours each spring, offering singers unique performance and cultural opportunities.

Jeffrey Cobb and Todd Vipond, Co-Directors

Ragazzo (*rah-gaht'-soh* – Italian for "youth")

Ragazzo is comprised of children who audition directly into the ensemble with more advanced musical abilities, along with singers who have been promoted from the Lyric Choir. Singers rehearse Tuesday evenings as well as monthly Saturday afternoon rehearsals. Ragazzo performs in NMCCC's Holiday, Winter and Spring Concerts, and, as opportunities present, at community events.

Ashley Larimer-Kelly, Director

Lyric (*a musical term meaning "having a pleasing or melodious sound"*)

Lyric is comprised of children who audition directly into the ensemble, along with singers who have been promoted from Bel Canto. Singers rehearse Tuesday evenings as well as monthly Saturday afternoon rehearsals. Lyric performs in NMCCC's Holiday, Winter and Spring Concerts, and, as opportunities present, at community events.

Stephanie Schall-Brazee, Director

Bel Canto (*bell kahn'toh* – Italian for "beautiful singing")

Bel Canto includes children with some prior musical experience – who audition directly into the ensemble – and singers who have been promoted from the Dolce Choir. Singers rehearse Tuesday evenings as well as some Saturday morning rehearsals. Bel Canto performs in NMCCC's Holiday, Winter and Spring Concerts.

Joanna Aldridge, Director

Dolce (*dohl'-chay* – Italian for "sweet")

Dolce is NMCCC's introductory choir for younger children with little to no prior musical experience. Singers rehearse Tuesday evenings as well as a few Saturday afternoon rehearsals. Singers build their foundational music skills in a fun, interactive learning environment, learning recognizable folk-based repertoire appropriate for beginning singers. Dolce performs in their November "Informance" and in NMCCC's Winter and Spring Concerts.

Todd Vipond, Director

Prelude (*a musical term meaning "introductory music"*)

Prelude is NMCCC's introductory program for Kindergarten and 1st grade students. This non-auditioned group meets Tuesday nights for a shortened eight-week session. In Prelude, young singers have the opportunity to learn about their voices and learn basic singing techniques in a friendly, nurturing environment.

Stephanie Schall-Brazee, Director

Overture (a term meaning a “musical introduction”)

Prelude is NMCCC’s introductory program for Kindergarten students. This non-auditioned group meets Thursday nights for a shortened eight-week session. In Overture, young singers have the opportunity to learn about their voices and learn basic singing techniques in a friendly, nurturing environment.

Stephanie Schall-Brazee, Director

They married in 1973 and moved to Traverse City to accept teaching positions in the Traverse City Area Public School District in 1974. Barbara served TCAPS as an elementary music specialist until her retirement. Mark served TCAPS as a choral director for fourteen years and retired Professor Emeritus from his teaching career at Northwestern Michigan College as choral director and Music Department Chair. They started the regional Northwestern Michigan Children's Choir thirty years ago to fill a need for children wanting to be in a choir but didn't have opportunities in their respective schools. The choir grew into choirs with enrollments approaching 200 children grades 2-9. The Cantus Choir made numerous appearances at state and regional conventions under their direction. They continue to live in Traverse City with their two dogs, Feebey and Lulu and enjoy their four-year old twin grandchildren Jack and Rowan.

David and Mary Parrish – Directors Emeriti

David and Mary Parrish recently retired from NMCCC after 25 years of teaching beginning choirs. They both met in Music School at Central Michigan University, married in 1965, and headed to Traverse City to begin careers teaching music. Mary taught elementary General Music and Dave taught Junior and Senior High Choirs, served as TCAPS Music Department Administrator, and taught in the Central High School Humanities program. They both feel that one of the highlights of their fifty-three years of being involved in education in Traverse City was their involvement with the staff, parents and students in the NMCCC program!

David Husser – Accompanist

David Husser is a pianist and teacher living in Traverse City, Michigan, where he maintains a large independent studio. He collaborates as a pianist with numerous area soloists and ensembles, including the choirs of Traverse City West Senior High School and the Northwestern Michigan College Children's Choirs and Canticum Novum. He also teaches group and applied piano at both NMC and Interlochen Arts Camp. Mr. Husser's compositions have been performed by pianists and choral ensembles in multiple states. His articles have been published by American Music Teacher, and he has served as a presenter and panelist at a variety of national conferences. He holds a Master of Music Education degree from the University of Oklahoma and a Bachelor of Music degree from the University of Illinois.

Margie Hunter – Accompanist

Margie Hunter recently retired from Traverse City Area Public Schools, having been a K-12 music educator in the area for several years. Margie earned both her Bachelor of Music Education and Master of Music Education degrees from Central Michigan University. She has conducted, accompanied and sung in church, school, and community choirs in the Grand Traverse area for the past 25 years.

Julie Gaubatz – Accompanist

Julie studied piano and organ throughout her childhood which was continued at Concordia University in Ann Arbor. There, she earned her degree in Elementary Education, with a minor in music. She taught Kindergarten for five glorious years and then "semi-retired" shortly before the birth of her first child. However, she has continued her musical experience as a church organist and choir accompanist for the past 20 years, playing in a variety of churches and schools throughout Michigan. Julie has enjoyed each and every experience - whether it be accompanying school concerts, high school musicals, or the Leelanau Community Choir. She currently serves as organist for two congregations in the TC area, as well as substituting as far as Leland and Glen Arbor. Three years ago, she discovered the NMC Children's Choir for her daughter Morgan, who currently sings with Cantus. Julie is thrilled to be back behind the piano and to be given the opportunity to accompany Bel Canto this year!

Liz Williams – Program Assistant

Liz Williams has been an active volunteer in and around the TC Community for over 18 years. She has served on numerous PTO's and has worked extensively with the TCAPS Music Department. Her volunteer work has also lead her to share her organizational skills, enthusiasm, and love of all kinds of kids, with organizations such as: TAGS, TC Thunder Softball, American Legion Baseball, TBAYS, Girl Scouts, Girls on the Run, and the National Cherry Festival. In the midst of this, Liz also found time to work as a para-pro at various TCAPS elementary schools. Liz has also been a proud NMCCC parent since 2012. Liz knows this program is the "Gold Standard" for youth choirs across the United States - she'll tell you all about it!

Brooke Stevens – Director of Marketing and Development

Brooke Stevens has been involved with the NMC Children's Choir as a parent for the past two years. Her son, Garrett Kesner, "graduated" from Cantus at the end of the 2015-16 season and her daughter, Abby Stevens, participated in Lyric that same year. Brooke's past professional experience lies in fundraising, marketing, and sales. She is currently a Preplanning Consultant with Reynolds Jonkhoff Funeral Home. Brooke assists the NMC Children's Choir by planning and implementing exciting new promotions, sponsorships, fundraisers, and recruiting efforts. Brooke believes that this is the highest quality children's program in our area and we need to be telling everyone all about it!

Mary Ann Niesen - Box Office Manager, Stage Manager

Mary Ann Niesen spent 24 years working all over the country as a Public Health Service officer with the Indian Health Service, serving as a pharmacist and informaticist. In 2014 she was able to retire to the Traverse City area, the hometown of her heart if not of her birth. She has always enjoyed singing and participating in music programs, and currently sings with the NMC choirs Canticum Novum and Chamber Singers, as well as at her church.

POLICIES AND PROCEDURES

I. Rehearsal and Performance Attendance Policies

Membership in the NMC Children's Choir is a commitment to faithful, consistent and punctual attendance. It is expected that rehearsals take a very high priority in each child's life. Every singer plays an important role in the success of their choir and consistent rehearsal attendance is essential to the success of both the individual singer and the organization.

Except for those absences relating to illness, family emergency or a school event that is based on academic merit, attendance is required at all rehearsals and concerts. Should an absence be necessary, please contact your child's director via email as soon as possible before or after an absence to inform them of the nature of your child's absence. Communication is key to ensure your child's success in our ensembles!

Because each child's success in the NMCCC program is directly tied to regular attendance, the following protocol for absences will occur in each concert cycle – a concert cycle consists of a concert and the rehearsals leading up to that particular concert.

- 1st missed rehearsal (excused or unexcused) – NMCCC staff will send an email to the singer's parents acknowledging the absence.
- 2nd missed rehearsal (excused or unexcused) – NMCCC staff will send an email to the singer's parents acknowledging the absence.
- 3rd missed rehearsal (excused or unexcused) – The singer and singer's parent(s) will be required to meet privately with the NMCCC director. The singer will be asked to sing the current repertoire to ensure that the singer is adequately prepared and comfortable enough with the repertoire to sing on the upcoming concert.
- 4th missed rehearsal (excused or unexcused) – At the director's discretion, the singer may not be allowed to sing on the upcoming concert.

A missing performer changes the dynamics of the ensemble and has a detrimental effect on the artistry of a performance. Therefore, attendance at dress rehearsals and concerts is mandatory. *The director reserves the right to exclude singers who are not adequately prepared from performing in the next scheduled concert.*

Singers who are absent from a dress rehearsal will not be allowed to sing on the upcoming concert.

Absence from a concert may lead to removal from the NMCCC program. Singers who are absent from a concert will be required to meet with their director, along with the singer's parents, to determine if continued participation in the NMCCC program is appropriate.

II. Inclement Weather Policy

Please be aware that the NMCCC Program does not necessarily cancel rehearsals according to area school closings. If rehearsals are cancelled due to weather, you will be notified via email, local TV and radio, and on our website: nmc.edu/childrenschoir.html. Cancellations will be posted by 3:00pm on the day of the rehearsal. The NMC-EES phone number to call to check on cancellations is 231-995-1718. Because of the uncertainty of Northern Michigan weather, we have built a few “Snow Day Rehearsals” into the schedule – to be used in the event of a cancellation of a regularly scheduled rehearsal. Families will be notified if when/if any of those “Snow Day Rehearsals” will be implemented.

III. Music and Folders

All students will be given music and either a folder or packet in which the music is to be kept. Each student must have their music and a pencil (for taking notes and adding rehearsal reminders) at every rehearsal. No pens or markers! If music or folders are lost, irreparably damaged, or not returned, an additional fee will be charged to cover the replacement costs.

IV. Non-Scheduled Performances

Occasionally, the NMCCC program will receive a request to perform at an event not previously scheduled on our calendar. Parents will be contacted as soon as possible to ascertain interest and availability. We will accept those performances only if:

1. We have enough performers committed to attend for a viable performance
2. The concert venue will showcase the ensemble in an artistic way
3. The concert has some benefit to the overall organization

V. Student Decorum

Students are expected to be on their best behavior whether on stage, in rehearsal, or at an NMC Children’s Choir event. As a representative of the Children’s Choir, it is expected that every child’s behavior will be a positive reflection of our organization.

VI. Removal and Reinstatement

It is a privilege, not a right, to participate in the NMC Children’s Choir. We recognize that the NMCCC is not a good fit for every student – students must be able to demonstrate good behavior, self-control and maintain regular attendance. Only those children exemplifying these attributes will be allowed to participate in the NMCCC. If there are attendance or behavior problems with a singer, the following will occur:

1. The Director will communicate with the child’s parents (via face-to-face, phone call and/or email) regarding any concern(s).
2. If the problem(s) persist, the Director will notify the parent of the continued concern and schedule a meeting with the singer and their parent(s). The singer will be considered on probationary status.

3. If the concerns (attendance, behavior) persist, then the singer will be removed from the NMCCC. (At that time, the singer will return any music and uniform pieces that belong to the NMCCC.)

Students who have been removed from the NMCCC program, may re-apply the next season by accomplishing the following:

1. Re-audition
2. Following the re-audition, meet with the Director and their parents to determine any further steps needed for re-admittance, and/or if the NMCCC is indeed a good fit for the child.

VII. Uniforms

Just as the ensemble's sound is important, so is the ensemble's appearance when in performance, dress rehearsals and touring. A uniformly, neatly outfitted ensemble is essential for a truly artistic experience. A couple of rules for all singers:

- Appropriate concert dress and grooming are a requirement for participation in a performance
- Boy's shirts are to be tucked in
- No obvious make-up, cosmetics, jewelry, earrings, accessories, watches, etc.
- Singers must have their hair pulled back, away from their face

Informal uniforms may be worn to rehearsals, but must be worn to dress rehearsals and when singers are in public touring or traveling or otherwise as designated.

- Navy polos \$15 required all singers (not Prelude)
- Navy t-shirts \$12 optional all singers
- Green sweatshirts \$20 required Cantus only, optional for others

Returning singers are encouraged to check the size and condition of their current uniforms. We will ensure that every child has a uniform – please contact us if you need assistance. Polos, t-shirts and sweatshirts are available for purchase or ordering in September and October during Tuesday rehearsals in the Fine Arts building. Checks are preferred or exact change.

USED UNIFORM PIECES

There will be a used uniform "swap" in September.

All singers are required to wear their complete formal uniform to the October 16 rehearsal to check for conformity. This includes Dolce too!

VIII. Commitment To School Music Programs

The success of NMC Children's Choir is dependent in large part on the support of music teachers throughout the Grand Traverse Area. Children's Choir singers should be leaders in their school music ensembles. Every NMC Children's Choir singer is strongly encouraged to be an active participant in his or her school music program.

IX. Fundraising

The NMC Children's Choirs will organize planned fundraising activities to offset the cost of program, scholarship and travel expenses. Individual participation in these fundraisers is a vital component in our organization's success. It is expected that all singers will participate in the fundraisers.

- Our Holiday Greenery Sale will begin on October 2 and wrap up on October 23. (This allows for the greenery to be delivered by the weekend at Thanksgiving time.)
- Our Flower sale fund-raiser will begin February 26 and wrap up March 12.

X. Touring Account

Opportunities are available for Cantus singers to participate in tours to various locales both foreign and domestic. NMCCC maintains a separate "touring" account for each singer. If a child chooses to participate in NMCCC sponsored fundraising opportunities, a percentage from his/her individual sales and donations are designated to be held in escrow in the singer's personal touring account. The percentage that goes directly into the singer's touring account depends on the choir they are currently enrolled in. The percentages are as follows:

- Ragazzo – 20% of a student's yearly fundraiser sales/donations goes into their personal trip account for future use
- Cantus – sliding scale percentage of a student's yearly fundraiser sales/donations goes into their personal trip account (\$1-\$500 = 30%, \$500+-\$1000 = 35%, \$1000+ = 40%, the percentage will be determined by the student's fundraising total after completion of the Spring Fundraiser.)

The credits held in escrow are available to help pay for any future tour expenses which the singer might incur. They are not available to pay any other NMCCC fees, such as tuition, uniform rental, etc. The escrowed funds are owned by NMCCC and are not eligible for cash withdrawal by the singer. Direct deposits made by a family toward a singer or chaperone's tour costs as well as charges for the tour are also accounted for in the singer's touring account. Statements showing activity in the touring account are provided once each year and more frequently if your child is chosen to participate in an NMCCC tour. You may also request a statement for your singer's touring account at any time, and parents are encouraged on occasion to review the account activity and accuracy of the information shown. Any balance remaining in the touring account at the time of graduation or withdrawal/removal from the NMCCC program reverts to the NMCCC general fund. Upon request, any balance remaining in a graduating singer's touring fund can be transferred into an active sibling's touring account.

The NMC Children's Choir cannot be held responsible for any incorrect information or accounting in a singer's Touring Account. It is the parent's responsibility to check for accuracy following each fundraiser.

XI. Volunteerism

The NMCCC program depends greatly on volunteers. Opportunities run the gamut from office help to concert management. Families can contribute time to the choir from home, at rehearsals, on tours or at a concert in the following broad categories:

- Troubleshooting
- Box office
- Ushering
- Chairs
- Chaperones
- Fundraising orders
- Sponsorships
- Uniforms
- Stage crew

Volunteer efforts are coordinated by our Program Manager. Please submit the Parent Volunteer form with your registration.

XII. Music Literature

The music that is studied in the NMC Children's Choir program ranges from simple folk songs to sophisticated, complex compositions written expressly for children's voices. Works using both a secular and a sacred/religious text are presented in an age-appropriate manner in the various ensembles. It is important to note that the use of music with a sacred text does not in any way imply that NMCCC is promoting a particular religious agenda. Rather, the program attempts to expose singers to the rich and varied tradition of music from many cultures and belief systems that is part of our rich choral heritage.

** Please see the article from the American Choral Directors Association regarding the use of music with a religious text in Addendum A.*

XIII. Parental Understanding

By enrolling your child in NMC Children's Choir it is assumed that there is parental understanding and acceptance of the policies and procedures as outlined in this handbook. Any questions should be referred to the directors of the program.

XIV. Conclusion

We welcome all singers and their families to the NMCCC program. We believe that through singing, children can experience the "inner life" of the music in a way that transcends the surface of notation and words. Singing is a way of "touching" the music and a way of being "touched" by the music. The process of learning and performing quality music in an expressive, artistic manner can provide each child with a unique, enriching experience that can lead to a lifelong love of skillful singing. We eagerly look forward to our shared journey into the wonderful world of choral music.

ADDENDUM A. – Music Literature *(from the American Choral Directors Association)*

Choral music educators recognize that choral music may fulfill diverse objectives. At one end of the spectrum are aesthetic education and artistic performance that can ensure development of musicality and sensitivity. At the opposite end of the spectrum is pure entertainment. Between these two poles may be found opportunities to enhance knowledge and understanding through a growing awareness and perspective of history and art as reflected in great music. **To achieve any selected educational objective, the quality of repertoire is of paramount importance.**

An assessment of the quality of repertoire which can fulfill the highest objectives of aesthetic education necessitates careful examination of the relationship of text and musical setting. The wealth of choral literature which represents and reflects peoples, cultures, and traditions of all lands and compositional styles of all eras includes much music in which the composer has utilized a sacred text. The term "sacred" refers to all manner of religious belief and not only to the practices of the Judeo-Christian teachings. **It is important that almost all of the significant choral music composed before the 17th century was associated with a sacred text.**

To study and perform music in which the musical setting of a text is artistically accomplished is a highly commendable objective. While public school teaching objectives and criteria for repertoire selection should not include religious indoctrination, the selection of quality repertoire will invariably include within its broad scope music with a sacred text. **To exclude from a public school curriculum all choral music which has religious meaning associated with the text is to severely limit the possibilities of teaching for artistic understanding and responsiveness.** Such an exclusion has as its parallel the study of art without any paintings related to the various religions of the world, the study of literature without mention of the Bible, or the study of architecture without reference to the great temples and cathedrals of the world.

Since choral music with a sacred text comprises such a substantial portion of the artistic repertoire representative of the choral medium and the history of music, it should have an important place in music education. Its study and artistic performance have nothing to do with the First Amendment to the Constitution and the doctrine which advocates separation of Church and State.
